My daughter Esther had a half brother to this horse, Lenas Hickory Bill, from the same mare, Bills Miss Billie. Esther used him in the feed lot; she told me he was the best horse she had ever owned. Esther sold him to Patrick Martin. Patrick is using him for roping. Patrick told me that he is the best horse he has ever owned.

Denise Hartzler will have 30 rides on him by sale day. She is very good with colts and he has an excellent mind. I believe he has a great future for almost anything with the mind and disposition of a kids horse.

A full brother to a colt Ron Klein bought as a stud prospect. Denise Hartzler will have 30 rides on him by sale day. She does a very good job so with his great mind and disposition, I expect him to be an outstanding horse.

The old mare watched the tractor work. A thing of rubber and steel, ready to follow the slightest wish of the man who held the wheel. She said to herself as it passed by, you gave me an awful jolt but there's still one thing you cannot do,

You cannot raise a colt.
