This mare had a year cutting as a three year old but is hasn't been shown due to a sprained ankle. Real gentle and easy to handle. Sire won \$66,000 in cutting. Horse colt at side (Lot # 2) by **ILLINI DESTINY LEO** and she is bred back same way. We kept two home raised mares for breeding so needed to sell one.

This mare is very athletic and plenty of speed for roping or barrels. Has been used in feedlot and pasture but will need experienced rider.

Hard to find a gelding like this. Has had feedlot experience and a lot of pasture roping. Ropes both ends with a lot of speed and a big stop. Over 15 hands.1250#

This is a real neat filly. Gentle and real nice to handle. Plenty of cow and speed here.
