I give Claude Woods a lot of credit for my program; all my mares have been purchased from his herd. They are foundation bloodlines bred for great disposition, conformation and natural cow sense.

My mares and foals have all been involved with the 4-H program, cattle handling, feedlot work and day to day riding.

“Dottie” has been shown in 4-H in halter and pleasure classes. She is very easy to handle, clip, trim her hooves, give a bath. She can be turned out for months and get her in and rides off just fine. As a 2-year old she had some awesome ground work done and a light start by Dwain Lehmkuhler 308.520.4597. This spring she went to Wes Wells to be ridden and get a tremendous handle on her in the arena and out in the pasture. Wes 308-764-7209. Take a good look at her, she has it all in one package, looks, color, great mind, and pedigree.
