Sonny's offspring are all real cowy with good minds and dispositions – easy to break with a lot of heart and stamina. All of his colts we've broke have made excellent ranch horses. Several have excelled in the arena.

"Redwood" is one of the best young horses I have had in a while. He was broke to ride by a 57 year old woman without using a saddle. Easy to catch, has never bucked, 16 hands with lots of chrome and very gentle. I have drug calves to the fire, packed elk in Colorado, loaded trucks at the sale barn and sorted cattle on the ranch. One of those once in a lifetime horses for the whole family.

"Duster" is a nice made young gelding with a lot of athletic ability. Both of his parents have won money team roping and he looks to follow that direction. He should have 20-30 rides by sale date.

Nice sized and very athletic. He should be really cowy and make a good ranch horse. Also, a prospect for a roping or barrel horse. This is probably the most athletic colt I've ever raised. He'll have at least 30 rides by sale day.

## 27. GRADE

2014 Brown Gelding

"Jack" is a nice started quarter-pony cross that my son bought as a baby for a project. He has moved cows, checked pastures, and tracked steers in the arena with him. He has loads of cow sense and will make some lucky kid a nice horse. His sire was a grandson of **Docs Hickory** and his dam was a pony mare.

A Sunday School teacher decided to have her young class memorize one of the most quoted passages in the Bible - Psalm 23. She gave the youngsters a month to learn the chapter. Little Rick was excited about the task - but he just couldn't remember the Psalm. After much practice, he could barely get past the first line.

On the day that the kids were scheduled to recite Psalm 23 in front of the congregation, Ricky was so nervous. When it was his turn, he stepped up to the microphone and said proudly, "The Lord is my Shepherd, and that's all I need to know."
